Technical drawing of the toilet seat and bowl assembly. The drawing shows a side view of the toilet bowl and the closed seat. The height of the bowl from the floor to the top of the rim is indicated as 570 mm. The width of the bowl at its widest point is indicated as 355 mm. There are two small circles above the bowl, likely representing screws or mounting points for the seat.

*Duvar kalınlığına göre ilave boru gerekebilir.
